

LATEST NEWS

The season is late in starting, since the weather has not been the best, BUT the summer is a coming and Islay Marine Centre kicks of the new season with the launch of Caol Ila shown here in the two photos below left and the retrieval of Harvester in for a clean-up in the photo on the right. Click on the photos for close-ups.

Our second boat of the NEW MODEL TopeHunter 5.9M "Misty Isle" below left will be heading to her new home in a couple of weeks. Custom built in Yellow, she is a striking boat and being the new model she has a lovely moulded interior, fitted with the latest model Yamaha 50 hp. Fuel figures will be very impressive... The two photos below right show "Merlin", our latest Stormbreaker 710, fully loaded and NOW with her new canopy! This is quite a unique boat with all the trimmings...
